THE PRAYER IS LIGHT

# Why Nur Clock

Nur Clock was created to bring prayer back to the heart of the home. In a world full of noise and distraction, it serves as a gentle reminder, calling us back to stillness, remembrance, and connection with Allah.

The Messenger of Allah ﷺ said:

**“Prayer is a light.”**

Sahih Muslim 223

**Nur** (نور) means light in Arabic:  
a symbol of guidance, clarity, and faith in Islam.
